

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION OF THE INSTITUTION

To produce Professionally Excellent, knowledgeable, Globally Competitive and Socially Responsible Engineers and Entrepreneurs.

MISSION OF THE INSTITUTION

- To provide Quality Education with emphasis on Technical Academic Excellence, Innovative Research & Development.
- To develop the potential of Human Resources to meet the requirements of Cutting Edge Technology and to meet the needs of industry.
- To develop Human Values, Social Values, Entrepreneurship Skills and Professional Ethics among the Technocrats.

QUALITY POLICY

At Sri Venkateswara Institute of Technology, we strive to maintain excellence in all aspects by embracing best practices, both in our endeavors and their outcomes.

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

DEPARTMENT OF CIVIL ENGINEERING

VISION

To pursue excellence in academics, research, and consultancy in Civil Engineering, aiming to foster sustainable national development by producing skilled Civil Engineers instilled with professional integrity and ethical values.

MISSION

- To provide students, foster critical thinking and prepare for careers in Civil Engineering through effective teaching.
- To foster research, create sustainable solutions, promote global citizenship and produce skilled engineers.
- To encourage students to be ethical and socially responsible, uplift regions through education, and develop skills for bettering society.

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

DEPARTMENT OF MECHANICAL ENGINEERING

VISION

To develop the department into a model center for education and research in Mechanical Engineering and related fields, making substantial contributions to the progress of both industry and society.

MISSION

- To prepare students with excellent technical skills, offering innovative education and internships to meet industry demands in Mechanical Engineering.
- To foster cutting-edge technology exposure and industry collaboration, nurturing graduates with scientific, ethical, and leadership skills for successful careers.
- To inspire lifelong learning, entrepreneurship, and research excellence while fostering leadership and ethics.

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

VISION

To emerge as a premier center for Electrical & Electronics Engineering, emphasizing quality education, research excellence, and ethical values.

MISSION

- To impart quality education with the latest tools and technologies, ensuring hands-on learning in emerging fields.
- To strive for excellence through collaborative research, tackling real-world problems to build a global reputation for innovation and impact.
- To cultivate ethical leadership and social responsibility, utilizing our expertise to create positive societal impacts.

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

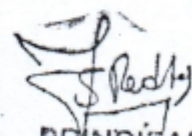

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

VISION

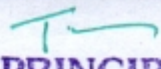

To emerge as a vibrant model of excellence in education, research and innovation in Electronics & Communication Engineering to meet the global needs of society.

MISSION

- To impart strong theoretical and practical knowledge through cutting-edge technical skills to meet the challenges of the industry.
- To foster an environment equipped with facilities and infrastructure that nurture innovation, creativity, and research.
- To instill ethical and moral values, along with lifelong learning skills, in students to effectively address societal needs.

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

VISION

The Department of Computer Science and Engineering aims to enrich academics and research to meet the growing needs of the industry and society with ethical practices.

MISSION

- To establish a platform aimed at facilitating effective learning by integrating emerging technologies to meet the dynamic demands of the industrial sector.
- To foster innovation and research through collaborative and participatory approaches.
- To inculcate ethical values and interpersonal skills for lifelong learning through societal outreach programs.

SRI VENKATESWARA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING (DATA SCIENCE – (CSE DS)

VISION

To achieve excellence in data science, driving global progress through education, research, and social values.

MISSION

- To provide students with competent industry-relevant education in data science, with an emphasis on ethical principles.
- To encourage innovation and entrepreneurship through industry collaboration and research partnerships in Data Science.
- To empower students with interdisciplinary skills for societal challenges through project-based learning.

(Approved by AICTE, New Delhi & Affiliated to JNTUA)

VISION AND MISSION

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING (AI & ML)

VISION

To become a premier destination for comprehensive education and research in Artificial Intelligence and Machine Learning, fostering self-competent technocrats with professional ethics and societal responsibility.

MISSION

- To Empower students with knowledge-based training and nurturing industry-relevant education in Artificial Intelligence and Machine Learning
- To empower students with Artificial Intelligence and Machine Learning skills, fostering research and innovation for societal impact.
- To enhance employability and entrepreneurship while promoting lifelong learning, social responsibility, and ethical engineering.
