Strategic Development and Deployment

Quality Policy

The quality policy of the institute states "Sri Venkateswara Institute Of Technology" is engaged in imparting quality technical education and training to prepare responsible technocrats for effective nation building. The quality policy aims achieving customer satisfaction. It constantly strives towards achieving high standards of teaching, training and development of human resources by encouraging its faculty and staff to work as a team and to update their knowledge skills continually to match the needs of industry.

The institute strongly believes that to reach the position stated in Vision and Mission statements, the human resource is the prime factor amongst the other resources. In the present scenario of liberalization and highly competitive world, to become a world class institute one has to bestow the end-user with the best possible service. Basing on this idea the quality policy was developed. All the activities driven by the quality policy and are closely monitored. The various performance indicators like pass percentage, input ranks, placements, achievements in co-curricular activities of students and the achievements or the faculty will be critically analyzed each Semester / year and reviewed.

Review

Successful implementation of the processes is monitored at various levels by evaluating the students' performance by teachers, teachers' performance by HOD and HODs' by performance by the Principal. The co-ordination of IQAC in the various monitoring processes also helps in the review processes.

Bridge between the Top Management and Stake holders

The Principal initiates dialogue and discussion with various stakeholders through different committees, Cells/Clubs/Associations, Alumni and Parents and conveys the management about the feedback, views and sentiments of the stakeholders for effective decision-making. The Principal interacts with Students, Alumni, Employers, Community, Academic peers, Industries and parents.

Feedback from students:

In the semester, for each course, students' feedback is taken in a structured format consisting of major parameters pertaining to teaching- learning process. This feedback is collected by a faculty member, who does not handle the particular class, to ensure free and fair response.

The responses are subject to Data Processing and the results are analyses by the HODs and the Principal, and the feedback is communicated to the faculty members concerned wherever necessary, for any remedial action and improvement.

Students' feedback on value added program's conducted (for example lectures, seminars, employability camp, etc.) is obtained at the end of the programme by distributing suitable questionnaire, Based on their response, necessary changes are suitably planned in organizing such events.

Feedback from Alumni:

The Placement & Training Cell in co-ordination with the faculty members in charge from each department to the task of collecting feedback from alumni.

The departments have created group e-mail id's/ whats app groups in which one or two of the faculty members have joined as members. This arrangement facilitates regular interaction with the alumni and helps the department to understand their progress and obtain necessary feedback at the central level.

The Placement and Training Officer co-ordinates the annual alumni meet and alumni association related activities. On completion of course, program outcomes attainment is collected from the graduates.

Employers' feedback:

The In-charge. Training and Placement Cell is continuously in contact with the organizations in which students are placed.

The feedback is obtained through the telephonic conversation and personal discussion with the HR Personnel and other senior officials of the organization and also through collection of details by sending a structured questionnaire.

Feedback is also obtained by the alumni from their employers and sent to the departments.

Community feedback:

The NSS Unit Of the college has been actively involved in rendering services such as conducting awareness programs in Environmental Protection, Health, First Aid and General Safety. Further, blood donation camps, literacy camps and teaching computer fundamentals to rural children are some of the other activities.

The students collect the feedback of the people who make use of such services regarding the help availed by them, suggestion for improvement and scope for expansion. This feedback helps to improve the quality of service in the future camps.

How are the feedbacks used for significant changes in the curriculum?

The feedback from the students helps to understand the merits and weakness if any in the teaching-learning process and take remedial measures like arranging guest lectures, special classes and industrial visits.

The feedback from the alumni and employers help to understand the current industry needs and practices which can be passed on to the students to make them readily employable.

Community feedback helps to improve and expand the services rendered to the neighborhood community.

Feedback from academic peers and industry helps the institution to improve the quality of education and skill impartation and improve the competency level of the students.

The Head of the institution interacts with management very frequently. The head of the institution appraises the management as he receives the feedback from parents, alumni, industry, teachers, students and the public with regards to the teaching quality, curriculum, extracurricular activities and infrastructural demands. In the meetings with Board of Governors the information gathered from different sources are discussed with participating member. After thorough discussion and deliberations the existing facilities activities of the institution are reviewed and decisions are taken for their implementation after going through the available resources and modalities. The decisions taken and activities of the institute will be communicated to stakeholders within college through circulars and external stakeholders through circulars external stakeholders through college website and news letter published.

It was established in the year 2009 and since its insertion SVIT is providing quality education in professional courses. The College is affiliated to JNTUA and it is located 15 km from Anantapur and constructed in a huge campus area of 15 acres with a separate hostel facility for both boys and girls which is a home away from home. The College has number of building blocks with smart class rooms, labs equipped with latest equipments. Modern computer centres, huge library with more than 20,000 volumes of books and spacious canteen. We get encouragement, by looking at the bright and successful careers of our thousands of students, which subsequently benefit society. We are constantly reviewing our setup to update and improve while making sure that students gain thinking skills, analytical frameworks, interpersonal and communication skills that will be advantageous to them in their careers. We also ensure to provide students with a supportive and welcoming environment in which they will be encouraged to develop themselves personally and professionally. Student-mentor system is helpful to provide adequate and required skills to the needful students. Sri Venkateswara Institute Of Technology is indeed the best college for any student who wishes to mould their career and aspire to become a great engineer or entrepreneurs.

PREFACE

Welcome to the Sri Venkateswara Institute of Technology

Our institution is dedicated to providing exceptional education, fostering innovation and preparing future leaders in the engineering field. With a team of distinguished faculty, state-of-the-art facilities and cutting-edge technology, we ensure a hands-on, practical education. Our rigorous, forward-thinking curriculum emphasizes interdisciplinary learning, critical thinking, and real-world problem-solving, equipping graduates to tackle future challenges confidently. Central to our mission are research and development, encouraging innovative research that advances technology and benefits society. Strong industry partnerships offer invaluable opportunities for internships, projects and careers. Join us in advancing engineering education and building a supportive, inspiring community.

Sincerely

Sri. V. RamaKanth Reddy

2.7 TRANSFER

Every employee though may be appointed in a particular institution, is liable to be transferred to any one of the affiliated and related institutions existing at the time of appointment signing the contract or which may come into existence at the time of the transfer according to the need.

2.8 PERFORMANCE APPRAISAL:

The formal written evaluation program of The Sri Venkateswara Institute Of Technology is established to provide annually, a planned, scheduled, opportunity for the employee and supervisor to meet and mutually identify, discuss, and document the demonstrated job performance and accomplishments of the employee during a specified rating period. The review helps to answer several basic questions that are of concern to all of us as employees: "How am I doing?", "Where do I go from here?", and "How will my supervisor support me in getting there?" For the employee evaluation: Indicates where he/she stands in relation to the expectations of the Institution, the department, and the immediate supervisor. Assures mutual understanding of responsibilities and work assignments. Serves as a source of assistance and guidance in improving and preparing for advancement.

For the supervisor the evaluation:

Helps identify an employee's performance level, growth potential, and developmental needs as measured by the standards of performance for the job. Assures that the employee is fully aware of assigned duties and responsibilities. Provides an opportunity to recognize effective performance and to let employees know that their contributions have a direct impact on the overall goals of the University. Serves as a foundation to formulate with the employee a specific plan of action for achieving goals and improving job performance. Establishes the basis for better two-way communications. Serves as a major consideration in matters concerning employee development, promotion, transfer, retention, salary, and job performance improvement.
